Mystical Theology and the Gospel of Life

In the second semester of the academic year 2015-2016, the Teresianum will

offer in English the course: **Mystical Theology and the Gospel of Life.**

The course explores this question: How can the mystics deepen, safeguard

and empower the Church's vision of the dignity of humanity and the goodness of human life?

By bringing St John of the Cross and St Teresa of Avila into dialogue with Christian understanding of human love, family, marriage, birth, aging, dying, the course aims to make a real pastoral and theological contribution.

Mystical Theology and the Gospel of Life will be taught in **English** by Fr Iain Matthew OCD, (Pontificio Istituto di Spiritualità, Teresianum) and will comprise a series of lectures and interactive seminars, in a twin-lesson bloc each week for the twelve weeks of the semester. (The precise day of the week and time will be posted on the Teresianum website in due course.) The course will confer 3 ECTS.
